Going my way!?

copyright of Mad

Dear Dawn,

Shoot goofed on the nose! Anyway!
This is me, 15 years after death row. They
finally convicted the cops and set me free. So I
decided to hit a few free ways again, and check
out a little booty. Woo hoo! Haven't had
it in 20000 woos long. I'm even given it away
this time! God forgive me, but I need a real
excitation. In this new generation, Munster
said I was ugly. Shit! This is what he'll look
like after 10 to 20 of hard labor. The pussy Piss.
[redacted] ha ha ha ha ha Shit screwed up
my crazy character had to write him
off. It was munster. ha ha ha ha ha

OK! now I'm pissed!! It took
me a long time to draw this guy up above,!
and that's straight talk honey! Then
I boo boo the page thinkin of Munster cause
I hate the egg head, humpty dumpty funky
pig so bad. Well!, I just hope some other
swine picks up that over hauled piece of
garbage and incinerates the creep in some
rot infested prison pen. That piece of crap

rattles my shit around. U Aileen, calm down calm down, remember your christian virtues. me I dont have them any-
-more whenever I think of him and his co hosts. All I think of is hell and hopin they'll burn eternal in it. With all their evil. And that they shed on others, compelling others to be as one of them. I'm sure he and his comrades will.

U Aileen did you see hand or essey the drawin?
me I copied. ! Now whats it too ya! I'm pissed off, now **BACK OFF!**, U Aileen its me, Dawn, me oh yeah, sorry, lost my sense of reality there for a moment I hate that **Ugly** mother so bad., Munster.

Guess what Dawn! I just found out I read the cross-reference wrong on Jesus being God. page 280 in the N.T. gives details galore on the trinity. Jesus was God as far as not being begotten. Never born, in heaven. He always was with God the Father. But the born in begotten means to the flesh. "On earth". So this is what they were trying to express. There still is 3 seperate distinct beings, One Father - One Son - One Holy Ghost. page ⁹³ 1st column B. N.T. page 204 ^{12th} column A

Wow what a switch Aili. From anger to God! I know Dawn, thats what Death Row will do to ya.

turn you alienated from life Man!

oh my God!, Yikes what is it?

Wee, my sanity has slightly returned. And now I guess its time to close Dawn. I've got to get back into the bible. Before the devil does get a hold of me.

And how wee doin'?!,

I havent heard him bark in a long..... time! ☺
